## BUYER'S FREE 60-DAY GUARANTEE

This 60-day guarantee assures buyers that the stores listed on this map stand behind the quality of their merchandise. **Buyer's remorse, buyer's negligence, and lost or stolen merchandise are excluded from this guarantee.** Participating stores will repair or replace any unsatisfactory item, excluding watches and some other branded merchandise. Watches and some other branded merchandise carry international brand warranties and will be repaired or replaced by the brand service centers. When unsatisfactory items cannot be repaired or replaced, a refund will be offered. For tracking purposes, all merchandise shipments must be authorized by the store or brand service center. Many stores in port, including stores that do not participate in the program, offer their own guarantees. Please inquire about individual store return policies before finalizing any purchase.

### For purposes of determining quality and value of jewelry and branded merchandise:

Only appraisals stating retail replacement value for insurance purposes will be accepted. The appraisal must come from an internationally recognized gemological laboratory such as: EGL (USA) or IGI. Valuation comparisons of watches and other branded merchandise must be based on retail prices offered by authorized brand retailers, and the brand names must be mentioned in the appraisal. Internet pricing offers and special clearance sales by authorized brand retailers cannot be accepted for valuation claims. Claims are based on documentation received at the time of the sales transaction, i.e. written or imprinted receipts, appraisals, and/or certificates.
